My, what fine spring weather we are having. Everything looks fine. Most of the wheat around here is certainly looking good.

Quite a crowd attended the egg hunt at I. H. Sharpe's on Easter.

Mrs. V. W. Hayden has been on the sick list the past week.

Wm. Sloan moved last week on the Mike Shaw place.

Little Lura May Sharpe has been on the sick list the past week.

Frank Langley and family, V. W. Hayden and family, and Wm. Stuart and family spent Easter at G. H. Law's.

How's This?

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure.

F. J. CHENEY & CO., Toledo, O. We, the undersigned, have known F. J. Cheney for the last 15 years, and believe him perfectly honorable in all business transactions and financially able to carry out any obligations made by him.

NATIONAL BANK OF COMMERCE, Toledo, O. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system. Testimonials sent free. Price 75 cents per bottle. Sold by all Druggists.

Take Hall's Family Pills for constipation.

Here and There.

Rev. Jewett will preach at Couch the second Sunday in May.

The weather is windy and chilly.

The hills and valleys are covered with such lovely wild flowers.

The early roses are beginning to bloom.

Frank Langley is in eastern Oklahoma at this writing, called there on business. Is expected home soon.

The people over near Couch observed Easter Sunday by a good old fashioned egg roast. Quite a crowd attended, and all report a good time. They had some splendid singing.

The Presbyterian minister from Beaver City preached Sunday afternoon (Easter Day) at Couch. He has made many friends who regret that this is his last visit, as he bade them all goodbye.

Mr. C. M. Sexton went to Liberal this week.

Miss Myrtle Goodman is staying with Miss Giddie Wright helping her care for her little chickens, as she has quite a lot. She is raising Black Langshans and White Leghorns.

Sam Dawson has a Brown Leghorn hen he calls "Deedie." He says she was hatched in an Old Trusty incubator. She is past seven years old, and lays 300 eggs or more a year. She has already laid 2100 eggs, and is still laying. She never would set, Sam says. Can you beat it? If you can, let's hear about it.

Wheat looks fine—prospects never better—and it looks like we would have an early harvest.

We failed to receive the HERALD of April 20th. We missed it very much. Quite a number from here and there were in Beaver Saturday.

To Drive Out Malaria

And Build Up The System Take the Old Standard GROVE'S TASTELESS CHILL TONIC. You know what you are taking, as the formula is printed on every label, showing it is Quinine and Iron in a tasteless form. The Quinine drives out malaria, the Iron builds up the system. 50 cents
